Encounter Jesus

Encounter Jesus

We know that just one encounter with Jesus can change lives. We are passionate about showing this world Who Jesus is and what He has done for us – you and me. We contend to keep Jesus at the center of all we do – from our church services to our daily lives, as well as in our community groups.

Dwell in Love

At LifeChurch STL, we believe in family. We invite everyone into relationship with us, like a family. One of the best ways to get to know your family members is by spending time with them, and community groups provide that opportunity.

Echo Hope

As we Encounter Jesus, our lives are changed. We cannot help but share what He has done in our lives. Since the Lord is no respecter of persons, what He has done for one, He will do for others. As we share what He has done for us, we Echo Hope (His hope, His love) to those around us.

What is a community group?

A community group is a small gathering of people who want to Encounter Jesus, Dwell in Love and Echo Hope. We have a variety of groups which meet in various places but the one thing they ALL have in common is to grow closer to the Lord and to each other – in essence – to Dwell in Love.

Who can join a community group?

You! We want everyone to be a part of community groups. community groups provide a safe place and space to learn more about God's amazing love and plan for our lives while getting to know each other. It's all about relationship with God and each other.
